IN RE: Request of Southern Bell Telephone &)	ORDER DENYING
Telegraph Company for Approval of)	MOTION FOR
Revisions to its Access Service)	PAPER HEARING
Tariff (Ref: TN 94-219 and TN 94-224).)	

This matter is before the Public Service Commission of South Carolina (the Commission) on the Consumer Advocate for the State of South Carolina's (the Consumer Advocate's) Motion for a Paper Hearing. The Consumer Advocate asserts that he can adequately state his concerns to Southern Bell Telephone & Telegraph Company's tariff filings with brief written comments and avoid the need for a full evidentiary hearing.

After review of the Consumer Advocate's Motion for a Paper Hearing, the Commission concludes it would prefer a full evidentiary hearing on the tariff filings. Therefore, the Commission denies the Motion a Paper Hearing. The Commission Staff shall set this matter for a hearing.

IT IS SO ORDERED.
